

1000448 Diced Wild Boar (frozen)

Pack Size: X KILO

Details: Wild boar meat is similar to pork, but there are a few differences worth noting. As a game meat, wild boar meat is leaner and tends to be darker red than ordinary pork. Wild boar meat has an intense, sweet and nutty flavour, due in part to its wild diet of grasses and nuts and forage. Ideal for casseroles, pies and kebabs. Sold frozen in 2.5kg packs.
