

308027C Agar Agar (Craic)

Pack Size: 500G PKT

Details: Agar Agar is a widely used gelling agent, through gelification it enables foods to be moulded into a range of shapes without altering taste. As it is extracted from red algae the product is suitable for vegetarians; with many manufacturers now using it as a substitute for gelatine. As Agar Agar is heat resistant it can also be used in baking helping to thicken and
