

308992S Rye Flour (Doves Farm)

Pack Size: 1KG BAG

Details: Rye flour contains enough gluten to make a yeasted loaf on its own, and tends to produce dense, dark, richly flavoured bread. It's often mixed with wheat flour to produce a lighter style of loaf. Rye flour's intensely fruity flavour is delicious incorporated into fruited cakes and sweet quickbreads such as scones.

Allergen Information

Contains:

Cereal, Gluten
