

## 309540C Northumbria Spring Sparkling Water Cans

**Pack Size:** 12 X 330ML

**Details:** Drawn from the Hadrian Well where water has filtered down through the limestone strata in the Northumbrian hills to form a deep artesian source. Northumbria Spring is crisp, clear and pure with naturally higher levels of calcium and magnesium than most other bottled waters.

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
