

## 500045C Celery (fresh)

**Pack Size:** X EACH

**Details:** Celery ranges in colour from white to green - the darker its colour, the stonger its flavour. It has a very mildly bitter taste and a texture that's both crisp and succulent and is eaten either raw or cooked.

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
