

500192C Physalis (fresh)

Pack Size: 80G PACKET

Details: This is a small, smooth round fruit wrapped in a papery case that resembles a Chinese lantern. The fruit itself is a pretty orange-gold colour and can be unwrapped and eaten as is, or dipped in melted chocolate and served after dinner with coffee. They have a delicate sweet-sour taste - sort of a cross between a gooseberry and a cherry tomato.

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
