

FISH069 Scottish Oysters

Pack Size: X EACH

Details: Traditionally oysters have been served raw - serve on the half shell with plenty of lemon for squeezing, Tabasco sauce and shallot vinaigrette (mignonette). The briney, sodium-rich flavour of oysters means they partner well with tangy Asian-style dressings. Our Gateshead customers must order this product by 10.30pm two days prior to delivery. For Monday delivery we need the order by 10.30pm on Friday night.

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
