

FISH089 Whole Dover Sole (400g - 600g)

Pack Size: X EACH

Details: Dover sole meat is firm but delicate and flavourful with a meaty texture. It is traditionally skinned on the darker side only, leaving the white skin of the underside in place. The skin separates easily from the flesh and the flesh falls easily from the bone. Our Gateshead customers must order this product by 10.30pm two days prior to delivery. For Monday delivery we need the order by 10.30pm on Friday night.

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
